Warm(?) Springs Event—12/15/12

On Saturday, December 15, Duane Hardesty, Joe Carter, Jacques Bolien, Dawson McLemore, Richard Wyrick, Cynthia DeMent, Bill Pope, and Dan Steed and Cheryl traveled to the lovely city of Warm Springs to give a demonstration of the art of woodturning, wood carving and to sell a few bowls and pens that they had made at the Little White House. The weather was cold and blustery but they endured. They met some really nice people from all over the United States and had a good time talking up the Bi-City Woodturners.
